

California Narcotic Officers Association Region IV – San Diego & Imperial County

Training Class
Thursday, July 8, 2008
0830 - 1700 Hours

Graffiti Investigations

This course will train officers in the major types of graffiti and the difference between gang and tagger graffiti. They will learn the history of the tagger subculture and how to identify their members. Officers will learn how to document tagbanger sets and their members, interpret graffiti, conduct an in-depth investigation, and successfully prosecute. This course also provides the foundation for expert testimony and how to use gang enhancement sections to combat graffiti vandalism.

Instructor: Officer Art Perea, SDPD, Street Gang Unit, Graffiti Strike Force
Officer Bryan Roberts, SDPD, Street Gang Unit, Graffiti Strike Force

Location: Imperial County Law Enforcement Coordination Center
