Outlaw Motorcycle Gangs

In this class students will be taught the history and current trends of Outlaw Motorcycle Gangs (O.M.G.'s). Some of the course topics include: criminal activities, organized crime involvement, major outlaw motorcycle gangs, enforcement techniques, and current biker problems. This class is updated regularly to remain current with the ever-changing events in the OMG culture and the course content is relevant to law enforcement in the Southern California area. This is a unique class that will be beneficial to all law enforcement officers regardless of assignment. If you want to truly understand outlaw motorcycle gangs and their operations, then this class is for you.

Instructor: Jorge Gil Blanco is a 30 year law enforcement veteran and is a recognized expert on Outlaw Motorcycle Gangs. Jorge has lectured throughout the United States on Outlaw Motorcycle Gangs and is a staff instructor for CNOA.

Location: Diamond Bar Center
