COURSE ANNOUNCEMENT

STREET DEVELOPMENT

(P.O.S.T. approved – Plan NA)

WEDNESDAY MAY 14th, 2008 0800-1700

Location: Rancho Cordova City Hall, 2729 Prospect Park Dr, Rancho Cordova, CA 95670

Instructors: **Lt. Jim Royer** – Hawthorne PD
Det. Joe Allen – Glendale PD - Narcotics

Description: This course is designed for anyone and everyone interested in learning the latest on street drug trends, new street drugs, new paraphernalia, and new variations of the drugs of abuse. Attendees will receive hands-on training in weighing, packaging and methods of ingestion. Among many other things, you will see how rock cocaine is made and the variations in making it, why methamphetamine can have a dozen different appearances, what GHB looks like and the latest analogs being used in an attempt to circumvent the law, the latest information on Rohypnol, how Heroin is now being ingested other than by injection, safety information on drug induced insanity, and many other trends concerning the drugs of abuse. Additionally, there will be a sizable display of paraphernalia and street drugs.

If you want to learn how the drug users and dealers are doing it, this is the class for you.

Cost for this class is \$35 for CNOA members and \$45 for non-members. Seating is limited to 100 students, so please make reservations by calling (916) 464-2050.

Attention: Effective January 1, 2008 you will need a POST identification number to obtain credit for POST Certified Classes. If you do not have a number, contact your training manager or go to the POST website @ www.post.ca.gov and click on the link "Obtaining your POST ID Number" for instructions.

Mail pre-payment and/or fax completed registration forms to:
