The Survivors' Memorial Fund was established in 1991 by the California Narcotic Officers' Association (CNOA). It was designed to provide immediate financial assistance to the families of all California law enforcement officers who paid the ultimate price by losing their lives in the line of duty. Since its inception, the Fund has assisted more than 168 families in their time of need. Without the success of this annual event the Survivors' Memorial Fund would not be able to continue providing the level of financial support to the families of our fallen officers that we are committed to provide. All proceeds from the tournament will go to the Survivors' Memorial Fund. The Fallen Officers' Golf Tournament Committee is dedicated to presenting a memorable and exciting day of golf for you, while raising the necessary funds for the Survivors' Memorial Fund. Please join us for this fun filled day.
