**Special thanks to our sponsors:**

Come join your friends at CNOA for the 2020 Cop-A-Bogey golf tournament. All monies obtained through this tournament fund the Survivors Memorial Fund. This fund provides money to the next of kin of law enforcement officers killed in the line of duty. All additional funds are used to provide training for law enforcement officers throughout the North State and to conduct regional projects, such as Red Ribbon Week in our schools and the awards we can give to all the distinguished law enforcement officers as well as a multitude of community members within California.
